In the event that this Paper is late
filed, and the necessary petition
for extension of time is not filed
concurrently herewith, please consider
this as a Petition for the requisite
extension of time, and to the extent
not tendered by check attached hereto,
authorization to charge the extension
fee, or any other fee required in
connection with this Paper to
Account No. 06-1378.

Each of the cited publications is considered relevant or material to the patentability of the present invention in view of the citation thereof in said International Search Report and said International Preliminary Examination Report.

Said International Search Report is in English, thereby satisfying the requirements for a concise explanation of relevance for the publications cited therein.

Moreover, English-language abstracts of all the publications cited in the International Search Report are submitted herewith, and enclosed is a partial English-language translation of JP 60-40149 that was cited in the International Preliminary Examination Report.

It is respectfully requested that the attached publications be considered and made "of record."

Respectfully submitted,

RICHARD S. BARTH
